

I am writing to show my support for a local radio station, K-LOVE. The radio station is a blessing to all who hear it, and I can let my children listen to K-LOVE with no reservations as to what they may hear. If K-LOVE were to be displaced by an LPFM broadcaster providing other local programming, my family & many of my friends would be devastated. They are a Christian radio station that has positively affected many lives. They regularly pray for any listeners who request their support, and have even called me, as a financial supporter, to see if they could pray for me in any way. Because of this, I know the service provided by K-LOVE is definitely in the public interest. Please do not force K-LOVE off the air!
